# WHO WE ARE

Move More is an innovative, vibrant organisation; we pride ourselves on being able to make a positive difference to the lives of children and their families through sport and physical activity. Our vision is 'Every Child Active' as we want all children to experience the physical and mental benefits of a physically active lifestyle.

We are a Charitable Incorporated Organisation (CIO) that works across Cheltenham and Tewkesbury and wider across Gloucestershire and South Worcestershire. The organisation has gone through a period of growth over the past 5 years and in a typical year would work with 23,000 children and over 700 teachers.

# WHAT WE DO

## EDUCATION & SUPPORT

Our qualified teachers and coaches provide professional development opportunities through conferences, teacher training, school inset days, team teaching and showcasing best practice. This enables professionals to feel confident delivering high quality physical activity, PE and school sport.

## PARTICIPATION

We pride ourselves on offering a breadth of opportunities for every child. We engage children with different abilities, motivations and backgrounds, inclusive of those with specific needs, disabilities or sedentary behaviours. Through our festivals and competitions, extra-curricular provision and holiday camps we provide children with the opportunity to be active outside of the school environment

## HEALTH & FAMILIES

We use physical activity to achieve wider health outcomes for children and their families. We work with individual children and small groups, to improve knowledge, understanding, motivation and confidence, helping them make healthier life choices. Our work with families supports parents and carers, giving advice, skills and opportunities to enhance physical activity, diet and wider areas such as sleep, screen time and mental wellbeing.
